

Welcome

to the fourteenth Annual Michigan
Brewers Guild Winter Beer Festival.

We hope you have a wonderful time and
enjoy all that the Great Beer State has to offer.

BEER AND TOKENS

We are very proud to offer a diverse selection of Michigan-made beer. Tables are organized by brewery inside the beer tent. Look for brewery personnel if you need help selecting your next beer! You can exchange one token for a 3 oz. sample and two tokens for a 6 oz. pour. Beers marked with **[2T]** will require two tokens, **[3T]** will require three tokens, and **[4T]** will require four tokens. Multiple token designations are based on the cost of the beer and compliance with MLCC regulations. Additional tokens are available for purchase at the Guild's merchandise and token tent.

MICHIGAN BREWERS GUILD TOKEN POLICY

The Michigan Brewers Guild utilizes drink tokens and specially marked cups to assure that we comply with Michigan Liquor Control Commission regulations and have a controlled means of serving beer. All festival attendees are expected to willingly provide tokens for each and every sample of beer received. Tokens are redeemable for beer samples only. Thank you for your cooperation which keeps us in compliance state law.

FOOD VENDORS

A variety of food is available for purchase, provided by the Whitecaps Concessions team.

MERCHANDISE & TOKENS TABLE

During the festival, make sure you stop by our merchandise and tokens tent. It's the place to pick up some great items that will let you demonstrate your support of craft brewing in Michigan, as well as additional tokens for 50 cents each if desired.

BECOME AN ENTHUSIAST MEMBER

Join the Guild as an Enthusiast Member and get VIP access to our beer festivals and a cool t-shirt. Your membership dues help support the Michigan Brewers Guild, a 501(c)(6) nonprofit organization, in our efforts to promote and protect Michigan breweries. Visit the Enthusiast Membership tent or go to MiBeer.com to join.

ZERO WASTE

We manage all of our events with a "zero waste to landfill" mentality. Please help to achieve our goal of reducing landfill waste to as close to zero as possible by properly sorting your waste at the disposal stations into compost, recycle or landfill. Look for signs or a volunteer for guidance when sorting. Our efforts in this area are incredibly successful due to a strong partnership with The Sweaty Mouse Green Team.
